Exactly what you are looking for

Whether looking for permanent residential care, dementia care, palliative care or respite care Bradley House is the place for you. Set in landscaped gardens the aim of Bradley House is to provide a warm and caring environment where individual dignity, privacy and independence are paramount, as is

the home from home feel that Bradley House provides. The home is open for visitors at any time, but if you wish to meet the Care Manager you are advised to telephone to make an appointment. Bradley House welcomes trial visits for residents who want to experience living in the home. We provide additional services such as coming in for lunch, assistance with bathing, activities and social interaction and day care at hours to suit, 7 days a week.

Accommodation

We are justifiably proud of our spacious and well-decorated home, comprising of two main lounges and a family room. Bradley House has

recently been refurbished to dementia friendly standards to assist orientation and enable our residents with dementia to find their rooms and their way around the home. It is always possible to find a special place to be comfortable in, whether it is with the company of others or just a quiet time to enjoy the peaceful

gardens. Bradley House has a pleasant dining room and residents are encouraged to take their meals there, but can have their meals in their own room if they prefer. The home has Fifty-four single rooms, the majority of these are en suite, having ample bedroom furniture, but also with enough space for personal items, photographs and ornaments to create a cosy environment. Our shower rooms and bathrooms are fitted with the appropriate hoist aids to make bathing easier.

Home Cooked Meals

All the meals are prepared on the premises and our well balanced menus ensure that the food is nutritious as well as enjoyable. All diets can be catered for at Bradley House.

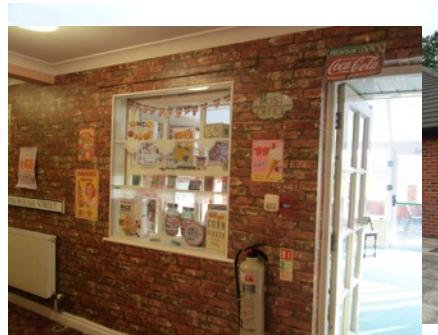

Residents are encouraged to use meal times as a social event, but privacy is always respected should that be preferred. Residents can arrange to invite relatives to join them for a meal. Birthdays are always made a special time for residents with a homemade birthday cake. There is a choice of at least two main dishes during the lunch times and there is a choice of hot suppers in the evening.

Things to do

We aim to provide a wide variety of activities that our residents can enjoy, including the ever popular bingo, coffee mornings, reminiscence events and live entertainment. The traditional celebratory events during the year like Easter and Christmas are made special within the home.

We also encourage our residents' families to celebrate their loved one's birthday with a party in one of our big lounges and the home is happy to provide light refreshments for these events. There are also always quiet areas in the home where you can chat or just relax

and enjoy the panoramic views around the home. We have a beauty salon for hair and beauty treatments. We have visits from the different religious denominations who come and given religious services and support to our residents. We also have the Library Service who visits and either audio or reading books can be requested. Different activities are organised every morning. Entertainers are invited regularly to do dances and sing along's to entertain the residents.

You are more than welcome to pay us a visit and experience for yourself just how peaceful and pleasant it is here at Bradley House.
